

**Mission Statement of the Finance Committee**  
of the Town of Waterboro

The Finance Committee of the Town of Waterboro is an advisory committee representing the taxpayers of the town of Waterboro.

The Finance Committee will review and make recommendations to the Board of Selectmen on the annual budget, capital expenditures, supplemental appropriations and expenditures as well as make other recommendations on fiscal matters as it may be advisable from time to time while considering what is in the best interest of the taxpayers and the town.

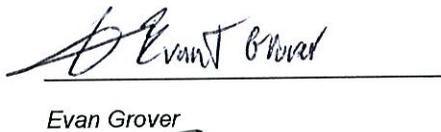

The Finance Committee will review budget reports, meet with department heads and the Board of Selectmen to determine what expenditures are in the community's best interest.
