

Hello Waterboro Business Community

The Waterboro Economic Development Committee and Board of Selectmen are hosting a **Business After Hours at Town Hall on Wednesday October 26, 2016 from 5:30 pm to 7:30pm**. All Waterboro business owners and employees are invited and encouraged to attend for light refreshments along with conversations with the business community and town officials.

For a very brief and informal presentation beginning at 6pm, we will discuss politics near and far. We will review the five statewide Citizen Initiative questions we will all be voting on this fall, along with a bonding question of whether or not to fund an addition to our Central Fire Station. We will also mention that signatures will be gathered at our polls November 8<sup>th</sup> in preparation for a June 2017 ballot question on whether or not to replace our annual town meeting with referendum voting. This proposal is being considered largely because attendance at annual town meeting has been very poor for many years. We will have copies of ballot questions to help citizens get informed before voting November 8<sup>th</sup>. Rest assured this presentation is not a sermon...more just looking to inform voters on the issues.

If you have any questions, please contact Town Administrator Gary Lamb at 247-6166, Ext 100, or by email at [administrator@waterboro-me.gov](mailto:administrator@waterboro-me.gov).
