

Town of Waterboro  
Department of Public Works  
24 Townhouse Road  
E. Waterboro, ME 04030

April 10, 2024

Dear Valued Citizens of Waterboro,

As crews continue to work through the cleanup following the nor'easter last weekend please know your concerns are heard, and the crews are working their way through Waterboro as quickly and safely as they can.

With the recent previous storms passing through that had already caused significant damage, this storm has only added a greater burden on the crews. Outside independent contractors have been contracted to assist in the cleanup process.

Thank you for your continued patience.

Respectfully,

Jason Champion  
Director of Public Works  
Town of Waterboro
