

## TOWN of WATERBORO: Permit Application Requirements, not all may be applicable to you.

↓ Check off when complete

- ( ) 1: No building permit shall be issued except to the property owner or his/her authorized agent. Such authorization shall be in writing.
- ( ) 2: A copy of the recorded deed showing proof of ownership. Purchase and Sales agreement is acceptable.
- ( ) 3: Driveway entrance permit issued by the Director of Public Works, required before a building permit can be issued. Maine DOT entrance permit may also be required.
- ( ) 4: Residential plans shall be drawn to a scale of ¼"=1 ft. and include, but not limited to, building elevations, floor layout, door and window locations along with sizes, foundation plan. The plans shall be of sufficient clarity to indicate the location, nature and extent of the work proposed and show in detail that it will conform to the building codes, noted below. Two copies are required.
- ( ) 5: Commercial plans shall be drawn to scale and include, but not limited to, building elevations, floor layout, door and window locations along with sizes, foundation plan, mechanical, HVAC, sprinkler system and alarm system. The plans shall be of sufficient clarity to indicate the location, nature and extent of the work proposed and show in detail that it will conform to the building codes. Commercial plans shall be 24"x36", two copies. Commercial plans may require *Maine Fire Marshal approval* and a State of Maine electrical permit.
- ( ) 6: Site plans shall include location and size of all existing structures, location and size of all proposed structures, distance, in feet, from all property lines, erosion control plan if located in Shore Land, distance from high water mark of any water body. Sub-standard lots are required to have a boundary survey by a Maine licensed surveyor. **Data submitted shall be drawn with the accuracy of a typical boundary survey. Correct information and ensuring ALL set-backs are met is the property owners responsibility.**
- ( ) 7: Three copies of a sub-surface waste disposal system plan (HHE200), if applicable.
- ( ) 8: Internal plumbing permit application, if applicable.
- ( ) 9: Electrical installation may require inspection or certification, per *M.R.S. Title 32, Chapter 17/1105*.
- ( ) 10: Flood Plain Elevation Certificate, if applicable.
- ( ) 11: **E911 number affixed to a surface that is clearly visible from the road.** Waterboro E911 Addressing Officer will assign such a number based on State of Maine guidelines.
- ( ) 12: Satisfactory potable water test required before a *Certificate of Occupancy* can be issued.
- ( ) 13: Shore Land Development Permit required if the proposed development is within 100 ft. of the high water mark of any water body.
- ( ) 14: Shore Land development that includes excavation of dirt requires the party performing the work to be Certified in *Erosion & Sedimentation Control Practice*. Certification number and name required.

### **INSPECTIONS REQUIRED / A \$50.00 FEE WILL BE CHARGED FOR EACH RE-INSPECTION.**

Prior to placement of any concrete (walls and floors), prior to backfilling of foundation, prior to covering internal plumbing, prior to covering framing, prior to covering insulation or any thermal application, HVAC systems, during construction of masonry chimneys. Additional inspections may be required.

### **FINAL INSPECTION REQUIRED PRIOR TO ISSUANCE OF CERTIFICATE OF OCCUPANCY OR USE.**

### **OCCUPANCY PROHIBITED PRIOR TO FINAL INSPECTION.**

***The application for a building permit is done with the clear understanding on the part of the applicant and/or property owner, that the work will be compliant with the current MAINE UNIFORM BUILDING and ENERGY CODE, NFPA LIFE SAFETY CODE, UNIFORM PLUMBING CODE, SUB-SURFACE WASTE WATER RULES, ADA RULES, MAINE DEPARTMENT OF ENVIROMENTAL PROTECTION RULES and ORDINANCES OF THE TOWN OF WATERBORO.***
