

COMMERCIAL HAULER ORDINANCE

Adopted February 6, 1990

We want to remind all commercial haulers that it is a violation of law to transport any out of town material to the Waterboro Transfer Station or Stump Dump. The penalty will be a denial of entry to either the Waterboro Transfer Station or Waterboro Stump Dump for a period of three (3) months for the first offense, six (6) months for the second offense, and one year for the third offense. According to our Waste Flow Ordinance, this means you would have to haul to Regional Waste in Portland and pay commercial fees.

Andrew C. Woodsome, Jr., Chairman
