

**TOWN OF WATERBORO**  
**WINTER TRAFFIC & PARKING ORDINANCE**

Enacted: Board of Selectmen's meeting, October 30, 2001

Amended: Board of Selectmen's meeting October 7, 2003

**SNOW REMOVAL**

No vehicle shall park so as to interfere with or hinder the removal of snow from any street or way. The Road Commissioner may cause a vehicle so parked on any street or way to be removed from the street and placed in a suitable parking space off the street, at the expense of the vehicle owner.

For the purpose of facilitating the removal of snow from the streets of the town, Board of Selectmen or Road Commissioner may cause to be placed properly marked signs along any street or streets, as he/she shall from time to time deem necessary. It shall be unlawful for the operator of vehicles to enter upon, stop or park within the space indicated by such signs.

**WINTER PARKING BAN**

No vehicle shall be parked on any street or way of the Town from November 1 to March 31 of the following year, between the hours of 12:00 am and 5:00 am. Any vehicle so parked may be removed or caused to be moved. Emergency vehicles of the Town, ambulances, doctors and police vehicles within the scope of their duty are exempted. The registered owner of any vehicle parked in violation of this ordinance shall be deemed to have committed the violation and shall be responsible for all penalties and charges assessed. Amended Oct. 7, 2003 by the Waterboro Board of Selectmen.

**RIGHTS OF WAY**

(Voted Sept. 6, 1988 by the Waterboro Board of Selectmen)

Because the contracts between the Town of Waterboro and its snowplowing contractors require that roads be cleared of snow to the outside edges of the shoulders of the roads, it is vitally important that all plowed rights of way within the town remain clear of obstruction.

It is therefore the obligation of all owners and occupants of property within the town to assure that no mailboxes, paper boxes, signs or similar structures obstruct plowed rights of way. Any such structures within a right of way exist there at the risk of the owner. Neither the Town nor the snowplow contractors are responsible for damage caused to the structure by the plow.
