**OSSIPEE LAKE WATER LEVEL MANAGEMENT POLICY**

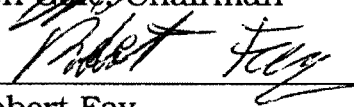

**WHEREAS**, It is in the best interest of maintaining water levels in Ossipee Lake;

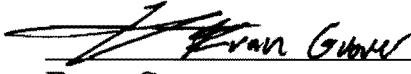

**HEREBY**, the Board of Selectmen of the Town of Waterboro set the water level of Ossipee Lake during the summer until October 15th, of each year, will be maintained at 6' 6" at which time the gate will be adjusted to obtain a 4' 6" level until ice out in the spring.

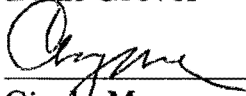

The winter level will be lowered to 3 feet every five years starting with the year 2000 to allow shoreline repairs. On these years, the lowering will start October 1<sup>st</sup>. On the following January 1<sup>st</sup>., the gate will be adjusted to obtain a 4' 6" level until ice out in the spring.

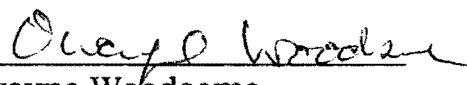

Adopted by the Board of Selectmen at their June 13, 2006 meeting.
