

# Welcome to CAML!

(Consortium of Apollo Maine Libraries)

## Consortium of Apollo Maine Libraries (CAML)

The Waterboro Public Library is pleased to announce that we are part of a consortium called **CAML**. This means that Waterboro Public Library cardholders are able to reserve items directly from other CAML libraries. Those items will then be sent here on the statewide library van system! You also may borrow items in-person, using your Waterboro Public Library Card, at CAML libraries if you are visiting their hometowns.

### Our fellow CAML libraries include:

Carver Memorial Library (Searsport)

Farmington Public Library

Porter Memorial Library (Machias)

Hollis Center Public Library.

(Hollis is in-person borrowing **only** right now, so if you place a reserve on one of their items you must pick it up there.)

### **How it Works:**

- ◆ Log in to the **Waterboro Public Library Catalog** using your library card number and your password (your phone number unless you have reset it)
- ◆ Search for what you want. If we do not have it, click on “Search Other Libraries” in the upper left hand corner. If any of the libraries have the item just click on the “Reserve This Item” button.
- ◆ If there is no “Reserve This Item” button but a “Request This Item” it means that it isn’t currently available because it is either too new or part of their collection that does not circulate. “Request” anyway as it may be a title that we are adding to our own collection or we will Interlibrary Loan the item for you.
- ◆ You will be notified when an item has arrived and you will have 7 days to pick it up. It will be checked out for 2 weeks with one renewal available as long as no one else is waiting for it.
- ◆ If the item is not available at any of the CAML libraries we will still try to Interlibrary Loan (ILL) it from another library for you, just like before!
